VLADIMIR MARKOVIC, FRS

CURICULUM VITAE (SHORT VERSION)

Personal information.
- Citizenship: *British*
- Born in *Germany* in October 1973

Education.
- 1995-1998 PhD, University of Belgrade
- 1992-1995 BSc, University of Belgrade

Research interests.
- Low dimensional geometry, topology and dynamics
- Functional and geometric analysis

Current Employment.
- *John D. MacArthur* Professor, CalTech (2013-)

Employment history.
- *Sadleirian* Professor, University of Cambridge (2013-2014)
- Professor, CalTech (2011-2013)
- Professor (since 2006), University of Warwick (2000-2011),
- Associate Professor (with tenure), Stony Brook (2006- 2008)
- "Duchnam Jackson" Assistant Professor, University of Minnesota (1998-2000)

Prizes and Distinctions.
- *ICM Invited Speaker*, *Geometry Section* and *Dynamical Systems Section*, Korea (2014)
- Elected *Fellow of the Royal Society* (2014)
- *Research Merit Award*, Royal Society (2014)
- *Clay Research Award*, awarded by *Clay Institute* (2012)
- *Whitehead Prize*, awarded by *LMS* (2004)
- *Leverhulme Prize*, awarded by *Leverhulme Trust* (2004)

Major Grants and Editorial.

- *Research Merit Award*, Royal Society (2014)
- **NSF Grant:** *Geometry and topology of curves and surfaces in closed hyperbolic manifolds* (2012)
- **EPSRC:** *Advanced research fellowship award* (2002-2007)
- **Editor**, *Geometriae Dedicata* (2009-2013)

Former and Current graduate students:

(1) James Giblin
(2) Alastair Fletcher
(3) Anestis Fotiadis
(4) Rob Fryer
(5) Lei Fu

Former and current postdocs:

(1) Subhojoy Gupta (PhD from Yale)
(2) Yi Liu (PhD from Berkeley)
(3) Shinpei Baba (PhD from Davis)
(4) Alistair Fletcher (PhD from Warwick)
(5) Samuel Lelievre (PhD from Ecole Normale Superiore)
